ADOPTER'S AGREEMENT

- I agree that the pet being adopted is for myself and will not be sold, adopted out, or given to another party.
- I agree that the animal will not be allowed outdoors without supervision, restraint (cat tent or cage, leash and harness, cat carrier, etc.) and without proper ID.
- I agree that I will not declaw the cat or allow the cat to roam outdoors at will. I understand that this cat is a former feral cat, which means that ***he/she most likely will not return home to me of his own accord***, if left unattended outside.
- I agree that this cat will live inside my home, in a household with no children under the age of 5. I will supervise any children while they interact with this cat. If there are any issues with this cat and my family members or other animals, I will make sure that this cat is kept away from any potentially dangerous animals

or people who may visit my household. I further agree that, if the situation is not manageable, I will contact the original rescue to rehome this cat as soon as possible.

- If I need to be away from my home for any reason, whether overnight or for a prolonged period, I will make sure that this cat has adequate food, water, and litter, as well as a responsible caretaker, if my absence is longer than a few days.
- I agree to care for this cat in a humane manner. This includes supplying adequate food, water, shelter, temperature control, attention, and medical care.
- I agree that if at any point I cannot keep him or her, I will return this cat to the original rescue without requesting a fee.
- I understand and agree that Feline Victory Rescue makes no guarantees about the pet's temperament or health and agree to hold the rescue harmless in the event of damages, injuries or additional medical expenses caused by the pet.
- I give the current rescue permission to perform a home check before the adoption process is complete, to ensure that this cat will be living in a safe and loving environment. I further agree to allow calls or visits to my home at any reasonable time after adoption to ensure that this cat is being properly treated and cared for. I understand and consent to both the pre-adoption home check and post-adoption home adjustment check, as well as any subsequent pre-arranged visits, for as long as I own this cat.
- I agree to keep the rescue informed of my current home address and phone number, should either change, for the duration of this cat's life.
- I agree to maintain this cat's microchip subscription for an annual fee, payable to the microchipping company, not to the rescue, for the duration of this cat's life. I further agree to provide reasonable medical checkups as well as any emergency medical care or medication that may be necessary, at my own expense.

I agree that all statements I have made on this form are true. If at any time, it is found that any statements I have made on this form are false, the adopted pet can be confiscated immediately, and I agree to refrain from protesting or attempting to reclaim the cat in any way.
